TO WHOM IT MAY CONCERN:

DuPont Canada Inc. engaged Jack Ostroff of Genus Financial Corporation to perform a review of our Treasury operations.

Our objective was to have a Treasury Professional benchmark and validate our operations and to isolate any areas where we could be operating more efficiently.

Jack's review was efficient and comprehensive. He was able to provide us with a benchmark document as well as valuable improvement suggestions. Jack was able to gather and process information with minimal disruption to our staff.

I would not hesitate to recommend Genus Financial Corporation.

Yours very truly,

DUPONT CANADA INC.
